

## 2012 PHILADELPHIA REGIONAL FUTURE CITY COMPETITION

### *Virtual City Design (SimCity file) Submission Information Sheet*

The city computer file package must be emailed on or before **Monday, December 12, 2011**; there will be a 5-point penalty for city files sent after that. The *Virtual City Benchmark Form* **must** be submitted at the same time; the file on the website ([www.futurecityphilly.org](http://www.futurecityphilly.org)) can be filled in using Adobe Reader, saved and emailed with the city file. Just type the teacher's name on the verification line.

To submit your city, a team will **only need to submit the single City Tile Square that has their Future City**. The file will be "*City - <city named by the school>.sc4*" The file should not be overly large and able to be emailed.

#### For Windows XP operating system

1. Go to "Desktop" folder
2. Open "My Documents" folder
3. Open "SimCity 4" folder
4. Open the Region folder with the name of the SimCity the region (starter region or another region name if used)
5. Right click the file with your city name and the .sc4 extension to "send" or drag the file to an email attachment to your coordinator.

#### For Windows Vista operation system (and presumably the same for Windows 7)

1. Go to the "Desktop" folder
2. Open the "folder of the user name who Installed SimCity"
3. Open "Sim City 4" folder
4. Open "Regions" folder
5. Open the Region folder with the name of the SimCity the region (starter region or another region name if used)
6. Right click the file with your city name and the .sc4 extension to "send" or drag the file to an email attachment to your coordinator

#### For Mac users

SimCity4/Regions/<region name>/"*City - <city name>.sc4*" will be similar.

**Submit your files on or before December 12, 2011 to:**
