2019-2020 Sponsorship Program

The Future City® Competition is a hands-on, real-world learning experience for middle school students to learn how engineers shape the world we live in today and tomorrow. Last year, Future City Philadelphia introduced over 600 middle school students at over 50 schools to the engineering profession. The Philadelphia Region is pleased to be celebrating our 25th competition.

Over the past few years, the Future City Competition has won three national STEM program awards: US2020 STEM Mentoring Award for Most Innovative Hands-On Project (2017), Henry C. Turner Prize for Innovation in Construction (2016), and the UL (Underwriters Laboratories Inc.) Innovative Education Award Grand Prize Winner (2015).

To help support this educational program, complete and return the sponsorship form today!* The sooner the better so your sponsorship can be properly acknowledged in our publications and on our web site.

We look forward to including your name in the list of sponsors for the 2020 program!

*Invoicing accommodations can be arranged to meet your charitable giving requirements.

Future City Philadelphia is a 501(c)3 outreach program of Discover E so your contribution is tax deductible as a charitable contribution to the extent the law permits.

This Year’s Essay Challenge:

**Clean Water: Tap Into Tomorrow:** Choose a threat to your city’s water supply and design a resilient system to maintain a reliable supply of clean drinking water.

As always, we need many volunteer engineers to mentor the schools, judge and to keep things moving smoothly on Competition Day. Please encourage your colleagues to volunteer for the competition. Volunteers will need to sign up online at [www.futurecityphilly.org](http://www.futurecityphilly.org).
